“ As I wipe the tears from my eyes, I am deeply saddened by this tragedy. I think of the first time I met Angel with his mom and dad for our Kindergarten interview. He seemed a little shy at first, but with loving encouragement from his parents he soon warmed up. Angel's beautiful smile lit up my classroom everyday. The reason why I love teaching is because of students like Angel. Angel's parents were so loving and so hands on. Mom always volunteered in class and on trips, dad came to school and played baseball with the kids at recess. In 24 years of teaching, this family was the very best and their son was such a pleasure to teach. Angel was the happiest, sweetest child, full of love and kindness! He was silly at times, funny, and a good friend to everyone. I always kept in touch with Angel and his family over the years. He was so happy and proud when he became a big brother. I loved that he was so excited and brought his baby sister to visit me. From the day Angel stepped into my Kindergarten classroom, until the day he moved up to 1st grade, he filled a special place in my heart. As a mom and a teacher , who loves children, I can't begin to imagine the pain his family is feeling. I pray that God can give them comfort during this time. I pray that Angel rest in peace. Angel, Mrs. Teal will always remember you and you will forever be in my heart!!
