“ Angel - You were truly one of a kind and always like a 2nd Mom to me and another Grandmother to my girls. Thank you for loving us like we were your own. I will fondly remember all of the times you made us hysterically laugh. I am thankful for the wonderful memories from when Kim and I were in HS to just last week. You were a cherished friend to my Mom as well. What I admired most was your strength, independence and your love for and loyalty to your family and Kim takes right after you! We love you and will miss you but you will never be forgotten. Rest in peace sweet Angel. Love Ann

“ This is all to surreal .. “Mom Angel”. 20 years of memories (mostly funny) , Long talks (I won't tell Kimmie) and lots of memories. It's hard to believe that God needed you more than we all did here but he must know that we needed another Guardian Angel. Thank you for loving me like a daughter and another Mi-Mom for Baby G. We will miss you so much 😞
Rest Peacefully Mom.
