“ Liz I can just remember how nice you always were to us kids growing up and how you always listened and cared. You were a beautiful soul and will be missed. Heaven gained a beautiful Angel.

“ Dance with the Angels my dear friend. I will never forget the great fine times we had as teenagers. I will miss you

“ She was always there to listen and give her opinion whether I liked it or not, but was always in my best interest. Would have given me anything. She always encouraged me to stand on my own two feet and to stand up for myself whether it was to friend or family or foe. that's why I say if I can be half the person she was when I pass I'll be good.....

She will be immensely missed by all whoever crossed paths with her , if only for a short time. She was more like my second mom instead of a big sister.....Love & miss you

already Big Sis from your Lil Sis.....
