“ We shared childhood memories, played hopscotch, jump rope had sleepovers at each other's house. Had my first kiss hanging with Margie and Joanies friends when I stayed at Aunt Hannah's. We skated up and down Grandmom's sidewalk with those clunky metal skates, kept the key around our necks. We shared our laughter, good times and each other's families. You where a big part of my childhood, and will be with me always in our memories....Your Cousin ReRe

“ Dear Charlie, Diane & family:
Our Hearts are broken for all of you. We have the best memories of Joanie when Katie was in the hospital, So many weekends Joan would come up with Diane and bring ceramics or some other activity to keep Katie from being bored. At Halloween you guys came up to the hospital in costumes to cheer Katie up. Joanie was the best, always remember Katie coming home from fun times in Hannah Hollywood's yard with all of you, she loved those fun times.

All of you have had so many special people in your life pass on in the last few years and we are truly sorry. As you stated Diane, Your mom is now reunited with your Dad, the love of her life. RIP Joanie, you will be missed. I hope in heaven their is a Hannah Hollywood's yard with all of them there having fun.

We are so appreciative to all of you for remembering Katie's fund during this difficult time.

With Sympathy & Love,
Joe & Roseann
