“ I just have to say uncle joe made me laugh when I would stay at moms and uncle joes house when I was a young girl going thru my horrible home life.We would be out back of your old house and he would be showing us how to make corn on the cob on the grill.Being silly cracking jokes.He helped me forget my struggles at home.oh he also was there for my mom when my mom went into labor with my oldest brother he took mom to hospital when she went into labor.So sad for the family.May you all always keep the spirit in your hearts.May G-D gently hug all of you to be able to stay stong thru this sad time.Uncle joe you will be missed.Crystal
