“ Aunt Mare, i can't believe that i am writing this to YOU! You were my go to when things happened in the family. In a way I want you to know as sad as i am that you won't be here anymore that's how joyous I feel for you that you are finally peaceful, without pain, without worry, no more crying and with all of the family that you Love so much. I'm glad we got as close as we did. I do not like regrets and now I do not have any. Thank you for loving my son as much as you did. That means the most to me. He loves you equally, and I'm his mother and I am telling you this. Now the hard part, every Facebook memory I have you're in the comments. Which means I have to see them every day
You go and rest now Aunt Mare and know that you will be missed. Love You, until we meet again. See you in a blink
Please tell Michael and my dad to watch over us. Xoxox
