“ Well there's so many things I can say I'll always remember you as aunt shishey, that's what I called you when I was a little boy because I couldn't say aunt shell. I loved staying over your house to play with Vinny and Anthony we were always up to something but you never minded "you would say there only kids.throughout the years I never heard you speak a bad word about anyone, I never heard you complain or say poor me. I watched you go through some tough times but no matter how bad things got you always kept a smile on your face. I also know things where never the same for you when you lost your brother who you loved dearly. Then one by one each member of the family was taken from you , gram, pop, your husband uncle Lee, aunt Leonora,your best friend Mona,(who always stayed by your side through thick n thin) I can remember how are family really was, when I was a child growing up. we had some crazy times some great times and some sad ones, I guess you can say we wasn't the average everyday Brady bunch but we all loved each other dearly we lived life to the fullest the holiday celebrations at gram and pop's house the family vacations and gatherings so many happy moments. Your children loved you, your grand children your extended family your friends you were always and will always be remembered and loved. I didn't want you to go but God called your name because he knew you were tired he brought you home to be with all your loved ones who went to heaven before you. It breaks my heart that your gone but it gives me joy in knowing your with your daughter Michelle,grandmom and pop my father aunt lee, and leo and all your friends. You were the last of the old family and now you are with them again I know your smiling once again the gangs all together again just like the old days. Aunt shell I will always admire your will because I can honestly say from the words of Sinatra you did it your way. I will miss seeing you around and having are little talks I will always love you. Until we meet again love always your nephew Michael boy.
