“ Never bad hearing from you, you knew exactly what to say and when to say it. You always kept in touch and that's what mattered the most. I know your in a better place. From Christmas to our birthdays and food shopping trips were hilarious, I can still hear your voice yelling at the lines in shoprite. Even times yelling at Charles about anything since he would always have something smart to say. A whole bunch of other moments that will not go unnoticed but it was fun and it felt good to hear you always had my back. I will miss you rip mamma T!

“ Always a fun time hanging with Tonyia, never a dull moment. Still think of you mixing a little red kool aid with all that sugar. Your going to be missed but can imagine heaven with you, Teena and Tony.

“ So many memories I wouldn't even know where to begin. Our recent communication consisted mostly of me telling you how to navigate Facebook because you kept accidentally sending me the wrong messages or posting under the wrong Pic lol...you will truly be missed, Aunt Tonyia.

“ I can remember Ms Tonya yelling at Towanna, me and Camella practically ever night because we would stay up all night laughing. The more she would yell the more we would laugh until she would grab that plastic bat. I can still picture her chasing Towanna with it yelling Wana and Wana Yal better go to bed
